

IN THE EVENT OF A FIRE

Whoever sees a fire, has to:

1. Ensure the safety of the people
2. If possible, extinguish the fire or stop it from spreading and call the fire brigade on the number **150** or **112**
3. Tell the fire brigade via phone:
 - Where the fire is
 - What is burning
 - Who is calling
 - What phone number is he calling from
 - Injured persons
 - Hang up and wait for the fire brigade to call back

All persons in danger by the fire, except those who are extinguishing it, shall immediately leave the building.
